Dear Friend of VCCH:

Welcome to the year of health care reform and an important opportunity to make your voice heard for universal health care in Vermont. We hope you will renew your membership for the next 12 months, or become a paid member if you have not been one in the past. VCCH intentionally keeps our membership fee low, just \$10. By sending your renewal promptly you will support VCCH's tenacious, long term advocacy of universal health care in Vermont. All VCCH members receive The VCCH News five times annually: We believe you will find this a good way to stay up to date on the issue. As Vermonters know, the need for health care reform has reached a crisis point. We look forward to hearing from you and hope that 2009-10 will bring the breakthrough to universal health care that we all hope for and need. Our thanks in advance for both your support and your voice
